HILLCREST CAMP GROUP REQUEST PROCEDURE

Depending on the number of applications received, there may be mixed ages in some groups. If you would like your child to be grouped with friends or family of a similar age in the same group, please complete this form and submit with your application.

Due to the number of grouping requests received, parents are asked to abide by the following policies and procedures when making such requests.

Please complete the Group Request Form and return it with your application for camp. Requests made after this time may not receive consideration.

For group requests to be considered, the children must be born in the same year, as that is how we group the children together. Mixed age groups are uncommon and only created if there is an offset in the number of applications received and a full group of the same age can't be accommodated.

IMPORTANT: *Every effort is made to accommodate grouping requests based upon available space in the appropriate group. However, these requests cannot be guaranteed. Once placements have been made, changes will only be made if a space becomes available. Thank you for your understanding and cooperation.*
